Wednesday, 18. April 2018, 10.00 bis ca. 14.00 Uhr, Forum Stadtpark, Graz

The year 2018 is dedicated to European cultural heritage. The aim of the European Year of Cultural Heritage is to encourage more people to discover and engage with Europe's cultural heritage, and to reinforce a sense of belonging to a common European space. Cultural heritage shapes our identities and everyday lives. It is not only found in literature, art and objects, but also in the crafts and the stories we tell. Two events for the European Year of Cultural Heritage will highlight projects and initiatives in the Alps-Adriatic region. The first will take place in Ljubljana on 17th April and the second in Graz on 18th April. Both events are supported by the Creative Europe programme.
